

# India's Top Hospitality Professionals - 2018

It was a proud moment for me to receive the 'Top Hospitality Professional in Marketing Category' Award and be felicitated at the Mumbai edition of the 16th India Hospitality World Expo & Conference. Trinity's India Hospitality events are well managed and a great opportunity for the hospitality industry to network and share ideas and thoughts. It is good to see these events and conferences being organized here and I wish the team at Trinity's India Hospitality all the very best in their future planning and execution of such events.
