THE INDIAN BFSI LANDSCAPE HIGHLIGHTS

India's Fintech Position

- India is the third-largest fintech startup ecosystem globally.
- Ranked fifth in global market capitalization (4% share by June 2025), ahead of the UK, Germany, and Canada.

Govt. Initiatives & Financial Inclusion

- Schemes like Pradhan Mantri Jan Dhan Yojana (PMJDY) have expanded financial inclusion.
- 55 crore bank accounts opened, providing access to savings, insurance, and credit services.

Digital Payments Growth

- India's digital payments market projected to reach USD 10 trillion by 2026.
- UPI (Unified Payments Interface) accounts for 40% of all digital transactions.
- UPI has facilitated over 6.58 billion financial transactions.
- Digital payments expected to cover 65% of all transactions by 2026.

Banking & Investment Expansion

- Banking assets projected to surpass USD 28.5 trillion.
- Mutual fund assets expected to quintuple by 2025.

Digital Economy Outlook

- India's digital economy is growing almost twice as fast as the overall economy.
- Expected to contribute nearly one-fifth of national income by 2029–30.

Fintech Innovations

- Emerging models include Digital Payments, Digital Lending, Neo-Banking, and UPI, developed by NPCI.
- These innovations have redefined India's digital finance ecosystem.

Investment & Market Growth

- Indian Fintech Market has attracted USD 31 billion in funding across 2,084 deals.
- Accounts for 14% of global fintech funding, ranking second in deal volume.
- Market size projected to reach 6.2 trillion (USD 83.48 billion) by 2025.

Mobile Wallet Segment
- Expected to grow at a CAGR of 23.9% (2023–2027).

BEST OF INDIA BFSI BHARAT AWARDS

Honouring Excellence. Recognizing Leadership. Celebrating India's BFSI Game Changers: The BFSI Bharat Achievers Awards will honour the most transformative institutions, innovators, and visionaries who are redefining India's financial future across banking, fintech, insurance, wealth, lending, digital infrastructure and inclusion.

These awards are not entertainment or vanity recognitions — but India's most respected industry-led acknowledgements of impact, innovation, governance, scale, and national contribution to the BFSI ecosystem.

Why This Award Platform Stands Apart

- Provides lifetime institutional credibility - far beyond event visibility
- Jury-led, knowledge-driven & category-authenticated - not pay-for-awards
- Aligned to India's national priorities - digital finance, inclusion, innovation, capital strength
- Recognises real impact - technology, performance, innovation, governance & future-readiness
- Winners positioned before regulators, investors, BFSI media, policy architects & industry leadership.

Award Categories to Be Revealed Soon. Nominations & Selection Framework will be announced shortly. Interested? Email trinity.cmd@gmail.com
